

MACOTRUCK - ZEEBRUGGE

SAFETY IS OUR PRIORITY, QUALITY OUR STANDARD

Macotruck is a logistics service provider of national and international road haulage within Europe. Our 4 main haulage activities are: tankcontainers with liquid chemicals/foodstuff - specialisation in dangerous goods (ADR), boxcontainers (deepsea/shortsea), vehicles/vans & exceptional cargo. Our modern fleet consists of 32 Volvo-FH trucks with 30ft Van Hool containerchassis, 23 Volvo FM-trucks with Kässbohrer superstructure & trailer and 2 Volvo FH-trucks with Nooteboom low bed semi trailers for exceptional transport. Safety, quality and operational flexibility are our main values. Our systems are ISO9001-certified and SQAS-assessed.
